TERMS AND CONDITIONS

- 1.** THONET & VANDER (hereinafter T&V) undertakes to satisfactorily take action respect to any defect of its product's material or manufacturing as long as its warranty is valid. If your product presents problems during such term of validity, you will have to contact the point of sale where you acquired such product. Your product shall be examined there to verify whether it is in condition to be accepted and if it has all of its parts. The purchase invoice shall also be requested together with the warranty certificate in case it has been extended in your web page www.thonet-vander.com.
- 2.** The warranty granted by T&V is valid for all official distributors.
- 3.** The international WARRANTY for T&V Flug is 6 (six) MONTHS from the purchase date. Such warranty may be extended for 6 (six) more months, by register your product in www.thonet-vander.com within 30 days from your product's purchase date.
- 4.** The product's serial number shall be perfectly legible to execute the warranty in the event of making a claim.
- 5.** Non fulfillment of these terms and conditions shall entail the cancellation of any rights deriving from T&V's international warranty system.
- 6.** Products have been designed to operate with each country's power regulations.
- 7.** Warranty exclusions:
 - 7.1** Defects in the residence's electrical installations, such as overvoltage, low voltage and power surge.
 - 7.2** Incorrect connection, installation and use of this device, failing to comply with the use manual specifications.
 - 7.3** Knocks, mishandlings, accidents of any nature and origin and/or unauthorized modifications that may damage its functioning, at T&V's discretion.
 - 7.4** Repair or attempt to repair by a T&V non-authorized person.
- 8.** This warranty does not cover transport costs.
- 9.** This warranty does not include modifications required to adapt the product to different voltages.
- 10.** Should the device and/or components fail to operate according to the specifications during any time within the warranty period, T&V, at its sole discretion, shall repair or replace such device with no additional charge whatsoever.
- 11.** T&V shall make this warranty effective within 30 (thirty) days from the date of delivery of the device or components at our laboratory. Since these products are manufactured with imported components, the time of repair will depend on the regulations in force on the import of parts.
- 12.** T&V shall not be held liable for any damage and/or injury occasionally suffered by third parties; in no event shall T&V be held liable with respect to the purchaser or any other party that may be damaged, including loss of profit, lost savings or any other direct or indirect action related to the use or inability to use the device or component. In no event shall the liability to the purchaser or any other part (arising out of a claim under a contract or non-contractual obligations) exceed the aggregate amount of the device or component price.
